

(Please read as written)

Let me begin with a few questions.

- How many feel your daily demands leave little time for real connection?
- How many feel your words fall on distracted, deaf ears?
- How many feel work would be easier if you didn't have to work with other people?

If you answered yes, you are in the right place.

Our speaker today holds a Masters in Human Behavior, presents in-house programs at Microsoft, Pepsi, Boeing and Procter & Gamble, and has been featured in Success and Working Mother Magazines.

She earned her Certified Speaking Professional designation held by less than 10% of speakers worldwide, and in 2017 was inducted into the Speaker Hall Fame®.

She grew up in Chicago and now lives in San Diego, but she still prefers pizza over tofu. Please join me in welcoming Colette Carlson.
